

To all the ETTU member
associations

Paris, on 15th May 2019

Réf : CP/CB/AD2019

Su : 15th Eurominichamp's – 23rd/25th August 2019 - Schiltigheim

Dear President,

As all of the preceding editions of the above mentioned tournament were a great success (thanks to you), the French Table Tennis Association will organize again the 15th Eurominichamp's in Schiltigheim (near Strasbourg) from 23rd to 25th August 2017.

I would of course be very happy if your association could take part and by doing so increase the number of European participating countries.

This year we will have as last year the great pleasure to welcome 2 special guests outside Europe: the Japanese and the US Table Tennis Associations.

The competition is dedicated to the players' boys and girls born 2007 and after...the future of our European Table Tennis.

Last year you were 33 countries taking part... This is great and I really wish that we could still increase this number in terms of participation but also in terms of level!

And this year the competition will be organized in a new built sport complex with the 2 competition halls under the same roof. We hope that you will appreciate it.

Hoping to meet you in Schiltigheim in August.

Yours Sincerely

Christian PALIERNE
FTTA President
