Welcome

Welcome to Fredericia and to the Nordic European Veterans Table Tennis Championships 2026!

As President of Table Tennis Denmark, I am truly delighted that once again we can gather veteran players from the NETU countries for sporting days filled with intensity, joy, and friendship. It has been some time since Denmark last hosted an international tournament, but now we are ready to provide all participants with the best possible experience.

Veteran table tennis is not only about results and medals – it is just as much about community, a lifelong passion for the sport, and the pleasure of reconnecting with old acquaintances.

The coming days will undoubtedly offer a high level of play at the tables, but also plenty of smiles, laughter, and good conversations across national borders. This unique combination of competition and camaraderie is precisely what makes veteran championships so special.

I would like to extend my sincere thanks to the host club, Fredericia Table Tennis Club, the many volunteers, and the staff of Table Tennis Denmark for their impressive preparatory work. Fredericia provides the perfect setting for a championship where both sporting excellence and personal connection are at the forefront – something we have witnessed on several occasions in recent years.

I hope that all participants will enjoy some memorable days and return home with both great results and wonderful experiences in their luggage.

Enjoy the championships, and best of luck to everyone!

Henrik Vendelbo
President, Table Tennis Denmark

Welcome

WELCOME TO FREDERICIA
A ROYAL FORTIFIED TOWN FULL OF AMAZING EXPERIENCES

Explore one of Denmark's most unique towns, filled with fascinating history, beautiful nature and incredible experiences.

Located in the heart of Denmark with views over the Little Belt and surrounded by the impressive Fredericia Ramparts, Fredericia stands as a hidden gem just waiting to be discovered. With its vibrant city life, the fortress town offers everything from great shopping opportunities to cozy cafés, a Michelin restaurant and world class musicals. You can also visit Kanalbyen, Fredericia's new urban district that connects the past and the future, or experience the area from above with bridgewalking at 60 meters on the Old Little Belt Bridge.

In Fredericia you are always close to new nature experiences. The fortress town by the Little Belt is part of Nature Park Lillebælt, one of Denmark's marine nature parks. Explore Trelde Næs, part of Denmark's Nature Canon, visit the city's five Blue Flag beaches, or go hunting for the wooden sculptures in Fredericia's nature. You can also join a whale watching trip and see if you can spot the small whale, the harbour porpoise, which lives in the Little Belt.

Here, it is easy to explore and hard not to stay a little longer.

Welcome to Fredericia.

Med venlig hilsen / Best regards
